The Catoctin Banner – e-edition (Flipbook)

Accessing the e-edition (flipbook) of the Catoctin Banner

Go to www.thecatoctinbanner.com. This will take you to the home page which includes access to the e-edition (flipbook) version. Click on the Banner image. This will bring up the e-edition (flipbook).

From here you can view the pages of the Banner just like viewing it as a magazine.

The Catoctin Banner – e-edition (Flipbook)

Table of Contents

The table of contents contains all the entries from page 3 which list all of the major articles.   To access the Table of Contents click the 3 bars on the bottom row of the page.

You will see the Table of Contents pop up to the left of the page. Click on the article you want to view.
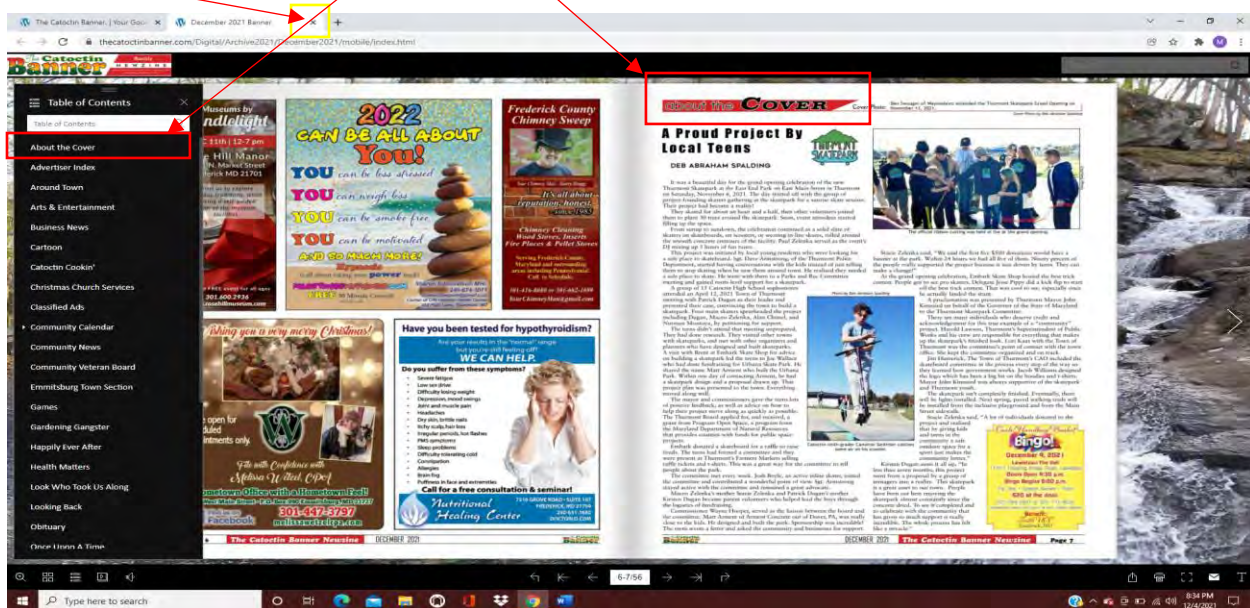

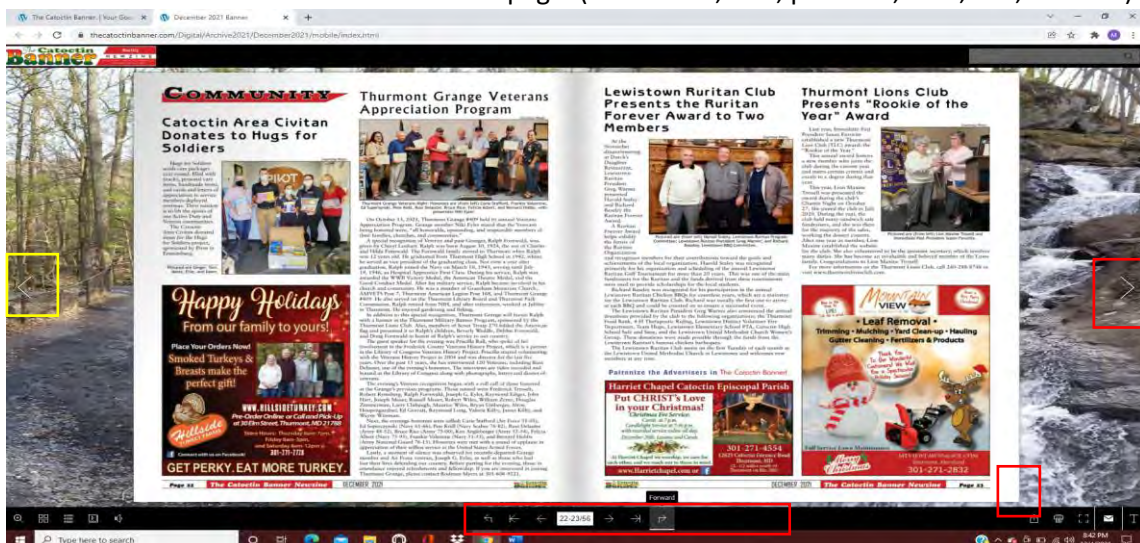

Table of Contents (continued)

 In this example we clicked the 'About the Cover' article in the Table of Contents and it took us to the page containing the article. To close the Table of Contents window, simply click the 'X' at the top right of the 2nd tab.

Scrolling through the pages

There are multiple ways to scroll through the pages of the e-addition (flipbook).

- Click the bottom right of each page
- Click the arrows to the right and left of the page
- Click the arrows on the bottom bar of the page. (backwards, first, previous, next, last, forward).

Scrolling through the pages (continued)

- Set it to auto flip. Click the auto flip icon on the bottom bar.
